

# HILL CROFT

## Welcome to the latest issue of the Hillcroft community newsletter.

Read about what's happening and what's planned, as Landcom and the NSW Land and Housing Corporation (LAHC) work together to transform Claymore.

### Housing construction and sales

Construction works for Stage 11 are continuing, while further site investigations for Stages 4 and 5 are under way before we progress with remediation works and construction, now anticipated to start in early 2024.

We are preparing a development application to upgrade Dimeny Park to better utilise this recreational space for the community to enjoy.

The latest release of lots for sale was held on 23 September 2023.
