

Welcome to the latest issue of the Hillcroft community newsletter.

Read about what's happening and what's planned, as Landcom and the NSW Land and Housing Corporation (LAHC) work together to transform Claymore.

We are nearly at the halfway mark with the Hillcroft development.

Construction works are continuing with further site investigations underway before we progress with remediation works and construction in some areas, now anticipated to start early next year.

We are preparing a development application to upgrade Dimeny Park to better utilise this recreational space for the community to enjoy.

As we approach the close of 2023, we extend our appreciation to the Hillcroft community for your patience during ongoing construction stages and wish you a safe and joyful holiday season.
