Introducing..... The Talking Trash Series

Ever wondered what your discarded items would say if they could talk? Imagine a mattress mourning its fate after years of providing comfort or a fridge left out in the sun, yearning for a chance to be recycled. We want to foster a sense of responsibility and awareness within the community. Through this series, we hope to inspire positive change and promote a cleaner, more sustainable environment.

Ways to keep your community clean:

- Sell or give away your unwanted items online using platforms like Gumtree or Facebook Marketplace
- Organise a kerbside clean up with Campbelltown Council – call **02 4645 4000**
- Report illegal dumping. Call **02 4645 4000** or visit bit.ly/Illegal-Dumping
