Housing construction and sales

Construction works for Stage 11 are continuing, while further site investigations for Stages 4 and 5 are underway. We are on track for remediation and construction works to begin in early 2024.

We are continuing to work through the development application process to upgrade Dimeny Park to better utilise the recreational space for all to enjoy.

The latest release of lots for sale was held on 24 February 2024.

December 2023 events wrap up

The community enjoyed several events throughout December!

Humanity Matters had a great turn out from local youth to learn about traditional Samoan methods of cooking and food preparation at the UMU – Taste of the Pacific event.

Claymore residents got into the festive spirit at the Summer Christmas and the Senior's Luncheon events where there was lots of food, activities, entertainment and giveaways!
